We will also be again in Spring in the same pool for the same SLO

Describe how and how often you will be contributing to the development of this plan

We have had two meetings including all Faculty. We also had a meeting with the LLCA members to coordinate. One faculty member has created an Action Plan with the LLCA members to coordinate the real time and also with the Program coordinators before the meeting and discussing the pool of the Program at large. The pool is also coordinated by the Program Affiliations. Since we have
