Denise Sleet - University policy for off-campus enrollment and transfer credit; Petition for off-campus Enrollment-Form #7 – Denise Sleet

Committee discussed the current policy and procedure for this (Off Campus Courses and Reverse Transfer – Off-Campus Course Articulation) (this is more about online courses) and it has come to the attention of the advisors and what are the expectations that we expect them to do. Jay Haugen will follow-up with Ryan Krause to see what the students need to submit when they apply to school.
